The screenshot shows the Google Maps interface. The main map area displays a network of roads and waterways in the Netherlands, with a red location pin marking a specific point. The sidebar on the left contains a photo of a canal with a bridge, labeled 'Canal in the Netherlands'. Below the photo, there is a list of nearby locations and a search bar. The top of the browser window shows the Google Maps URL and various search and navigation controls.

Prepare to Share Your Screen with Zoom

- Host must enable screen sharing for participants
- Check your settings, esp. whether or not to share ZOOM itself
- Think ahead - if sharing device, how to connect it?
- Think ahead - close windows you don't intend to share
 - ★Reduces clutter
 - ★Protects privacy
