#### **About this Reference Guide**

This Reference Guide has been created solely for your personal use and reference, and as such, it should not be copied or shared with others.

This Guide is sourced from the latest version of the Apple Pages User Guides, and from related Apple "HT" and other documents. For ease of use, each topic is summarized on one page.

#### How to use this Reference Guide

This Guide is formatted in the PDF format, and is best saved in the Apple Books app on your iPad or MacBook for easy access in the class and for future reference.

#### Control your reading in the Apple Books app on your iPad

Open this Reference Guide in the Apple Books app, and then tap the center of the screen on your iPad to open or close the reading controls.

You can tap the Table of Contents button = to skip to a different chapter or topic, see bookmarks you've added, and view highlights and notes you've made. Tap < to get back to the Library and other sections in the Books app.

## 2 Apple Wallet App and supporting services

Use the **Wallet** app on your iPhone or Apple Watch, to keep your cards and passes in one place for easy access. Wallet can store the Apple Card, credit cards, rewards cards, boarding passes, event tickets, digital car keys and more.

Once your cards are set up in Wallet, you can pay with **Apple Pay**, replacing your physical cards and cash with an easier, safer, more private and secure payment method.

**Apple Cash** is a digital card that lives in Wallet. It's an easy way to send and receive money from Messages or from Wallet. And because it's a digital card, your Apple Cash can be spent in stores, online, and in apps with Apple Pay.

Sign up for an **Apple Card** in the Wallet app, so you can use it right away with Apple Pay and get unlimited Daily Cash back on all your purchases no matter where you shop.

Earn interest on your Daily Cash and any additional deposits that you make when you set up a **Savings** Account on your Apple Card.

#### **Deposit money into Savings**

When you open Savings you agree to automatically deposit Daily Cash that you earn into your Savings account.<sup>3</sup> You can also add money to Savings from a linked external bank account or from Apple Cash.

- 1. On your iPhone, open the Wallet app and tap Apple Card.
- 2. Tap Savings account, then tap Add Money.
- 3. Enter the amount that you want to add, then tap Add.
- 4. Choose the pre-selected external account, change it, or add a new one. If you haven't added a bank account, follow the steps in View and update your Savings account information in Apple Wallet.
- 5. Double-click the side button to confirm with Face ID, Touch ID, or your passcode.

Money that you deposit into Savings starts earning interest on the day that the transfer is initiated from the Wallet app.

If you transfer money from Apple Cash, the funds are typically available instantly. If you transfer money from a linked external bank account, it will generally take a few days for funds to be available for withdrawal.

The maximum balance allowed for a Savings account is \$250,000. Any deposit you make in excess of the limit may be declined or returned to you.

## 12 View your Savings account balance and interest earned

Savings

Earn interest on your Daily Cash and any additional deposits that you make when you set up a Savings account. Savings provided by Goldman Sachs Bank USA, Member FDIC.

#### View your Savings account balance

- 1. On your iPhone, open the Wallet app and tap Apple Card.
- 2. Tap Savings account. From here you can see your Current Balance. This may include pending transactions or deposits, so the entire amount may not be available for you to withdraw immediately.
- 3. Tap the More button  $\bigcirc$ , then tap Account Details to see your Available Balance. This is the amount that you can withdraw immediately. You also see any interest that you've earned this year and your current Annual Percentage Yield (APY).

Interest that you earn is compounded daily and credited to your Savings account monthly.

#### Note:

- Daily Cash may not be divided between Apple Cash and a Savings account. Apple Card owners and co-owners may individually change where their Daily Cash is deposited at any time. To open Savings, you must add Apple Card to Wallet on an iPhone that supports and has the latest version of iOS.
- 2. Apple is not a financial institution. Apple Card and Savings are issued and provided by Goldman Sachs Bank USA, Salt Lake City Branch. Member FDIC.
- 3. You can change your Daily Cash election at any time.
- 4. Apple Cash by Green Dot Bank. Member FDIC.
- 5. The maximum balance allowed for a Savings account is \$250,000. Any deposit you make in excess of the limit may be declined or returned to you.
